

Will Not be One Day Without PE-RU-NA

This Lady TELLS Her FRIENDS

Mrs. Mary Fricko, 507 Dornman St., Belleville, Ill., is just one of the many thousands of ladies throughout the country who, after an agony of years, have at last found health, strength and vigor in PE-RU-NA.

Her own words tell of her suffering and recovery better than we can do it: "I suffered with my stomach, had awful cramps and headaches so I often could not lay on a pillow. Saw your book, tried PE-RU-NA and got good results from the first bottle. To be sure of a cure I took twelve bottles. I have recommended PE-RU-NA to my friends and all are well pleased with results. I will not be one day without PE-RU-NA. Have not had a doctor since I started with PE-RU-NA, which was about fifteen years ago. I am now sixty-three years old, hale, hearty and well. Can do as much work as my daughters. I feel strong and healthy and weigh near two hundred pounds. Before, I weighed as little as one hundred. I hope lots of people use PE-RU-NA and get the results I did." An experience like that of Mrs. Fricko is an inspiration to every sick and suffering woman.

MRS. MARY FRICKO

It gets into everything, whether it be of the nose, throat, stomach, lungs, or other organs. PE-RU-NA is the remedy. It is not new; it is an old remedy. PE-RU-NA has been tried. PE-RU-NA has been used by thousands of people who were sick and are now well. To get the best results, take one or two capsules three or four times a day, with meals, and to hasten recovery take one capsule before bed.

PE-RU-NA cleanses the system, purifies the blood, cures all kinds of troubles, eradicates the waste material and builds up the system. It will tone up the nerves, give you a good appetite and the joy of living. Do what Mrs. Mary Fricko has done—more have done—try PE-RU-NA. You will be cured.

Clothes of a Tailored-to-Order Appearance

Just as loud as type can talk we wish to impress this fact indelibly: It pays to buy good Clothing

Our message to thousands of men is that quality never was a bigger factor in Clothing than today. In the face of many handicaps Griffon clothes have held stubbornly to the rigid standards of other years. Today there is considerable pride and satisfaction in knowing that such clothes are typical of the best worn.

Considered fabric for fabric, style for style, fit for fit, and finish for finish, Griffon clothes express the spirit of present day thrift in its fullest meaning.

Analyzed from every point of view, we do not believe values, such as we present, can be equaled elsewhere.

Your Foot is One of These Three Types.

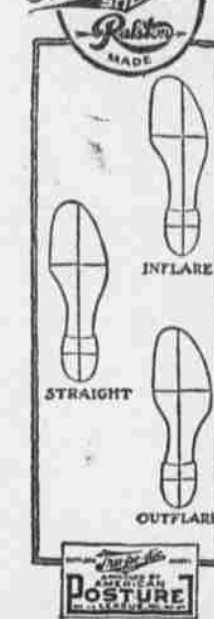

You can't get a perfect fit unless you wear a shoe which conforms exactly to your type of foot.

The Trupedic, unlike other shoes, is made in all three types on the one style of toe.

By trying on the three you'll quickly be able to tell which fits your type of foot—it will be evident the minute your foot slips into the right one.

Moreover, the Trupedic, although an anatomic shoe, is not of the "freak" or so-called "nature shape" order. It's a model as stylish and attractive as one could wish.

It's a young man's shoe in every sense of the word—a good looking shoe which will increase your efficiency.
